Eric

I take that back. After trying out different things, the document opened up fine now. No need to resend. Sorry about that!

Thanks Eric. Can you please resend the document. I get an I/O error when I try to open the document. Not sure if you are sending it through a mobile phone. The I/O error has happened to me in the past when I receive pdf attachments send from a mobile device. You may need to send/resend it via a computer.

Thanks.

Subject: Workplan Refinement Notice AOI-1-3 - US Oil Recovery Superfund Site

Hi Raji –

Per your recent discussion with Matt Wickham, please find attached for your review Workplan Refinement/Modification Notice (WRN) AOI-1-3 for the US Oil Recovery Superfund Site. This WRN proposes a revised background sampling program in response to our discussions over the last few weeks.

Please review this WRN and let me know if it is acceptable or if you have any questions/comments/revisions.

Thanks.
